

New Video Baby Ads!

There is a new addition to the Senior picture baby ads that we have in the yearbook. We now offer the options below for your baby ad:

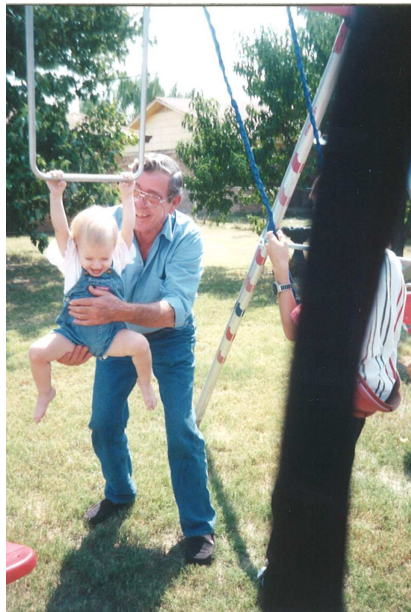

A picture and text or

A picture, text, and a video

It could be an old home video, a video of family members wishing the graduate good luck or a loving message, or many pictures put together in a video form (like Flipagram). It will cost an additional \$20 to add the video. Below is an example of a baby ad with a Flipagram video attached to it.

Please contact Mrs. Eli for more information on how to send a Flipagram video.

Example of a Flipagram video! The video will have a trigger image uploaded as well so you can have both the video and the still image.

To see this video - download the Aurasma App off the itunes app store or the android store. Scan the image with the app and watch the video play (double tap the screen when the video starts to be able to move your device).
